

PRESS RELEASE

CENVIRO DONATES RM500,000 TO MINISTRY OF HEALTH TO SUPPORT FIGHTING COVID-19

PUTRAJAYA, 9TH APRIL 2020 – Cenviro Sdn Bhd, a wholly-owned subsidiary of Khazanah Nasional Berhad donates RM500,000 to the Ministry of Health (MoH), in its fight against Covid-19 outbreak.

Cenviro hopes that the allocation will enable MoH to purchase of essential and urgent medical supplies such as personal protective equipment (PPE) and ventilators for all their facilities nationwide.

As leader in green revolution, Cenviro remains committed to act collectively in aiding those who are in need and we would like to convey our utmost gratitude to the frontliners for their dedication and sacrifices in keeping us all safe during this challenging time.

Cenviro's representative, Ismawati Mohd Shah, Senior Manager, Corporate Affairs presented the cheque to Dato' Sri Dr. Adham Baba, Minister of Health at MoH, in Putrajaya today.

Cenviro also contributed essential items to ease the burden of the frontliners in the hospitals who are battling the Covid-19 as the numbers of cases are currently increasing in this country; The company has been providing lunch and dinner food packs to frontliners at Hospital Tuanku Jaafar in Seremban, Negeri Sembilan during the Movement Control Order while Hospital Enche' Besar Hajjah Khalsom in Kluang will be receiving 8,000 surgical masks and gloves for their medical staff next week.
